

Blum Center's Second Annual Spring Conference

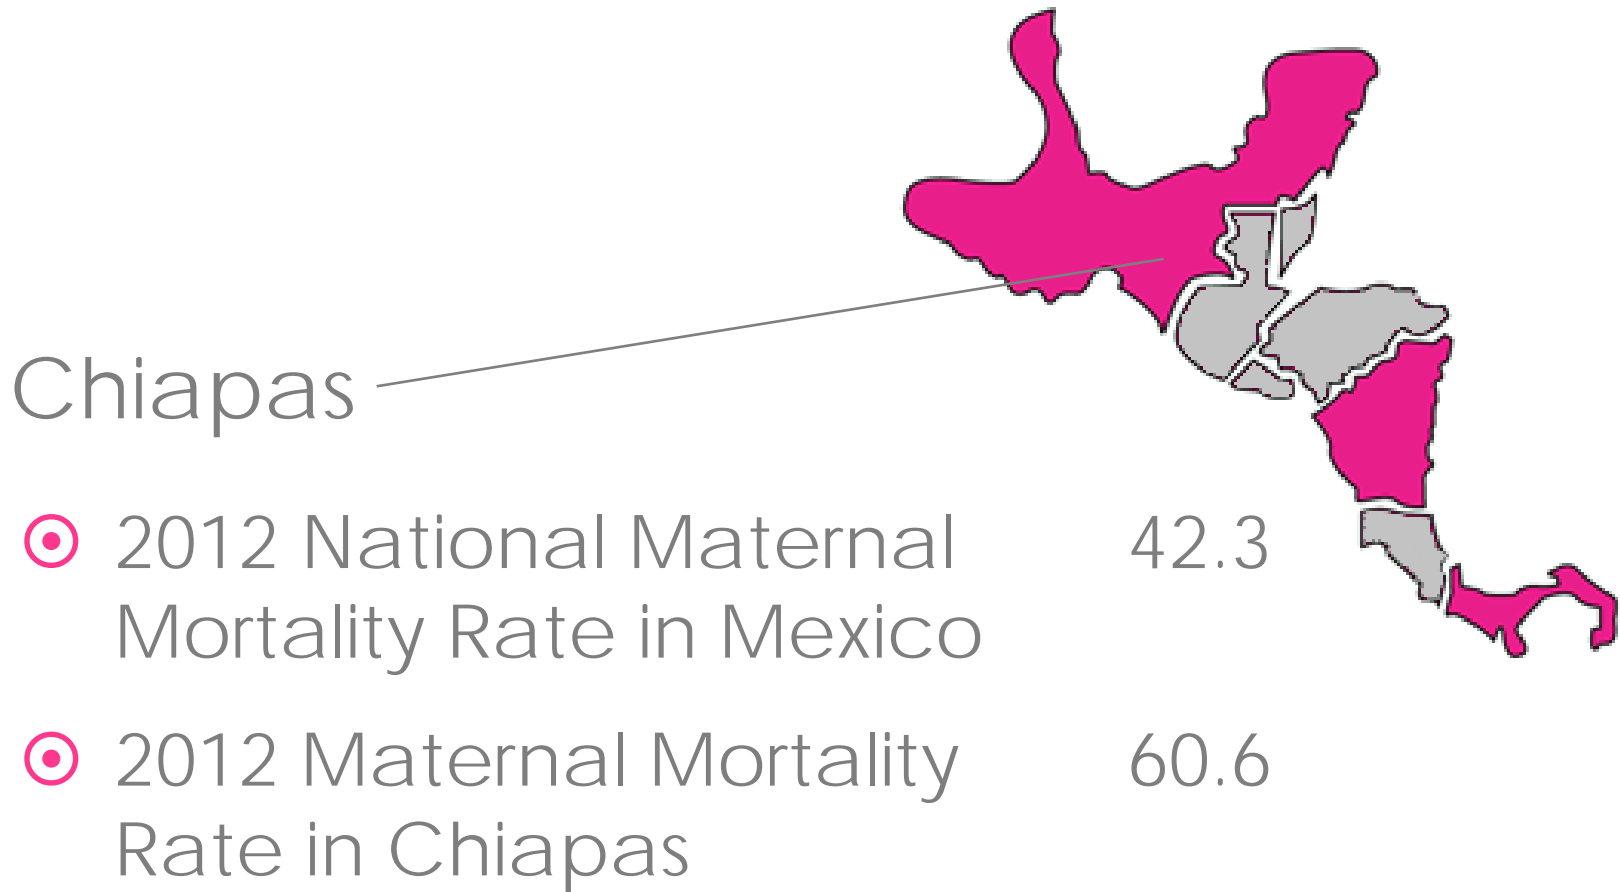

Using Demand-Side Incentives to Scale-
up Maternal Health Care: Examples
from the Mesoamerican Region

Emmanuelle Sanchez-Monin
Lead Social Protection Specialist
Salud Mesoamérica 2015 /IDB
Nicaragua

Where safe
motherhood and
child survival
can't be taken for
granted

Nicaragua

- 2012 National Maternal Mortality Rate 49.7
- 2012 Las Minas Maternal Mortality Rate 102 2x
- 2012 Biwli Maternal Mortality Rate 182.2 3x

Panama

- ⦿ ~3/4 children in SM2015 areas are anemic 73.6%
- ⦿ More than 1 in 2 children are stunted 55.9%

Nicaragua

What do you think
could be worrying
this woman?

Acceptability
