

Save the Date! April 16 Seminar

"The Healthiest (and Most Unhealthy) States to Be an Undocumented Immigrant: A Review of State Health Policies"

Wallace

On April 16, a new joint report will be released that examines state health policies towards undocumented immigrants and ranks states with the most (and the fewest) public policies and laws that foster the health and welfare of undocumented immigrants.

Rodriguez

In this related April 16 seminar, co-authors Steven P. Wallace, associate director of the [UCLA Center for Health Policy Research](#); Michael Rodriguez, director of the [UCLA Blum Center on Poverty and Health in Latin America](#); and Maria-Elena Young, graduate student researcher at the UCLA Center for Health Policy Research, will discuss the report's findings. The report was produced in collaboration with the [UC Global Health Institute](#).

What: "The Healthiest (and Most Unhealthy) States to Be an Undocumented Immigrant: A Review of State Health Policies"
