

ADDRESSING LATINO HEALTH INEQUITY THROUGH ART, POLICY AND SCIENCE: SPECIAL LECTURE PRESENTATION

Zika Virus an Emerging Pathogen

We are proud to present

Dr. Karin Nielsen, MD

Professor, Clinic Pediatrics,
UCLA David Geffen School of Medicine;
Director, Center for Brazilian Studies,
UCLA Latin American Institute

Nielsen is the lead author of an article recently published in the New England Journal of Medicine showing that the Zika virus is responsible for many serious fetal abnormalities in addition to microcephaly. She is actively investigating the Zika epidemic as part of a team of experts at the Fiocruz Institute in Rio de Janeiro, Brazil.

Thursday, April 14, 2016

12:00-1:00 pm

UCLA Moss Auditorium (A2-342 MDCC)

A light lunch will be served

Please RSVP at

<http://zikavirus.eventbrite.com>
